

## **Opportunity to Participate in University of Ottawa Research Study on Water Quality and Management**

Tripti Saha, a Masters student at the University of Ottawa, is looking for Richmond residents to take part in a study to understand perceptions of rural water quality and management. The anticipated outcome of this research will help facilitate better management strategies that protect rural water and public health. Participation includes taking part in an interview. All information shared will be kept confidential. If you are interested or have any questions, please feel free to contact Tripti via email, [tripti.saha@gmail.com](mailto:tripti.saha@gmail.com), or phone, 613-818-4923.

Thank you,

Tripti Saha
