### **3. Presentation by Cindy Goldberg about concert band**

Cindy attended the meeting to talk about starting up a concert band in the Richmond area. This band would play senior events, Canada day type activities. This would be more focused on junior high and high school students from the Richmond and surrounding area. This could be 12 and up. This is for the wind and brass instruments.

Cindy was looking for comments about the band: Promotion, where to practice, events etc.

The band would need to have a conductor and would require music, and stands. Advertising for the conductor would need to be the first step.

Support from our Councilor and the Councilor from Rideau and an article in the newspaper would be extremely beneficial to the startup of this type of group.

The high school in the area would be the best place to practice if this is available.

Cindy's phone number is 838-2537.

### **Item 5: Questions/presentations from attendees**

None

#### **Other Discussion**

*Youth activities proposed for Richmond over the summer:*

Another sports tournament (to be decided);

The RVA will be assisting the Firefighter's BBQ in the sale of tickets.

Motion for adjournment. Approved.
